SIGMA PHI EPSILON • COLORADO GAMMA • 121 F. LAKE ST., FT. COLLINS, CO • SPRING 1990

PUTTING CHAPTER IN PERSPECTIVE

MESSAGE FROM THE PRESIDENT

The outlook of Colorado Gamma is one of great promises and expectations. We are currently 125 members strong with 13 quality pledges. Our house is looking better than it has in the past 8 to 10 years. We have new tile and wallpaper in the foyer, new carpet in the living room and hallways, a brand new message board, and vertical blinds. You would be amazed!

Our financial situation this spring improved from the past semesters. With the increase of moral and better condition of the house, more people have been willing to pay. We have already paid half the total amount owed to the Alumni Board and expect to pay the remainder in the months ahead. The Alumni Board also bought the chapter a computer to assist in our financial statements and records. So far, it's a great investment.

Sig Ep is also doing well in the greek system, with Na-

tionals, and on the campus. Last fall our chapter won an award for the best neighborhood relations program among the fraternities. In athletics, we were the #1 softball team on the CSU campus. This year at Regionals, we received an award for outstanding fall 1989 rush. We also have members who hold executive offices in AEISEC and Alpha Kappa Psi, two reputable business organizations on campus. One of our members is also the senator for the Bio/Vet-Med College.

Sig Eps continue to be leaders on campus!

We will conclude the semester with the famous Flower Dance on April 28th which I hope you will attend. Each year it gets better and this year is no exception! Come see the house and your fellow brothers.

Sincerely,

Anthony Wing, President

Flower Dance - 1989: Every year it gets bigger & better. This year will be no exception.

COLORADO GAMMA APPROACHES 75th ANNIVERSARY CELEBRATION

Colorado Gamma of Sigma Phi Epsilon was chartered on November 27, 1915. In honor of this, a 75th reunion and celebration for all members will be held on October 19, 20, and 21, 1990. This is homecoming weekend.

The headquarters hotel will be the Holiday Inn University Park in Ft. Collins. Plan now to attend this celebration with all Colorado Gamma Sig Eps. The formal dinner will be held on Saturday night October 20, 1990.

Put this event on your calendar now! You will receive a notice of all events planned and registration forms in the near future.

General Chairman of the events is:

Al Hornung
5370 S. Kenton Court
Englewood, Co 80111
Home ph# 303-773-6854
Business ph# 303-790-2333

RUSH--A YEAR LONG ACTIVITY

Colorado Gamma is implementing a new rush program this year.

Although this is not a new concept, we feel a year long rush will greatly benefit our chapter. The first Monday of every month we will invite four or five young men over for dinner. They can either be friends of actives or someone we have met on campus who we feel could be potential Sig Eps. We want this handpicked group of men to know who is best on campus.

We are also in the process of obtaining a list from CSU of Colorado high school seniors who have been accepted to the University. During the remaining weeks of the semester, our rush chairman will call them to either meet them one-on-one or invite them to one of our summer rush functions (barbecue, golf, party, etc.).

This fall rush is going to be very competitive and we want to have the upper-hand on the competition. We are planning for a large, quality pledge class. If you happen to know of any young men who will be attending or attends CSU and would make fine Sig Eps, please refer them to us or call our rush chairman, Joe Samuel at 493-9914.

COLORADO GAMMA OFFICERS 1990

President	Anthony Wing
Vice President	Ben Homan
Alumni Chairman	Bill Carter
Controller	Mike Jones
Secretary/Recorder	Sid Simonson

Highest In-House G.P.A	Eric Sommers...3.4
Highest Out Of House G.P.A	Dean Wisler...3.4
Honorable Mention	Doug Cook...3.39

COLORADO GAMMA NEWSLETTER HIGHLIGHTS OUR ALUMNI

Beginning with this issue of the Colorado Gamma Spear, the active chapter will be reporting news primarily about the issues and events of our alumni.

Not only is the newsletter designed to increase the communication between the alumni and active chapter but is also designed to increase the communication between you and your fellow alumni brothers.

The Spear will cover the latest chapter news at Colorado State University and will also cover alumni accomplishments, lifestyles, views and comments of our graduated brothers.

The active chapter of Sigma Phi Epsilon Colorado Gamma strongly encourage our alumni brothers to fill out completely the Who's Who section on back of the newsletter so that we can compile this information and publish them for next fall. Also please send us personal notes, photographs, newspaper clippings and articles so that we can, through our paper, pass this interesting information on to your fellow alumni brothers.

UPCOMING ALUMNI EVENTS

As Alumni Chairman I would like to tell you about some of our upcoming alumni events that we have scheduled.

On the calendar this spring is the annual Flower Dance. This year it should be as great as ever and is being held on April 28, 1990. This year's activities include the annual Alumni/Active golf tournament which is being played at Southridge Golf course here in Ft. Collins. Tee-off time is at 10:00 am.

As usual the cocktail party will start around 5:00 pm at the house. Dinner will be served shortly after. All alumni are strongly en-

couraged to attend, it should be a great time. If you would like to play in the golf tournament or attend cocktails and dinner, please R.S.V.P. by April 12th by either calling Tom Satterfield at 493-4336 or Mike Jones at 221-9154.

Highlighting next fall's alumni activities is the 75th anniversary celebration. This is going to be held on homecoming weekend and will include various activities. Some of these will be a golf tournament and a dinner party. Rooms will be reserved at the nearby University Holiday-Inn. We will also be reserving tickets for the homecoming football

game. This should be a great event and hope to see all of you there!

If you have any questions or comments about any of our functions and or schedule, feel free to call me at the house. Thank-you

Alumni Chairman,
Bill Carter
phone # 303-484-9872
or 303-493-9938

ALUMNI NEWS

ALBERT M. HORNING '61 earned his mechanical engineering degree and is now President of Brock, Easley, Inc. Al and his wife Carla Burwell, are the parents of Devon, Kris, Kirk, Lane, Tara, Kendra. The Hornung residence is 5370 S, Kenton Court, Englewood Co, 80111;

DAVID B. GEHLE will be wed on the 28th of April 1990, to Janice Lee Rea at two o'clock at the Providence Presbyterian Church, Charlotte, North Carolina. He requests your presence at the wedding.

OUTSTANDING ALUMNUS
Our greatest appreciation and thanks goes out to Alumni Board President Gary Saylor '61. He has given endless support and time to improve Colorado Gamma. Just a few of these improvements include buying much needed tables and chairs with his own money, spending endless hours installing metal doors in certain rooms as well as attending the alumni board meetings at least one Saturday each month.

In appreciation of his work the active chapter is dedicating one of the replacement Italian tiles which will be placed in Grand Plaza in front of the Baskerville Mansion at the Sigma Phi Epsilon Headquarters in Richmond, Virginia. The tile will be engraved with his name, year and chapter. Once again, we would like to thank Gary Saylor for his continue commitment to Sigma Phi Epsilon, Colorado Gamma.
